EXPLORING

CONNECTING

EXCITING

EMS DAY 1 April 24

Summits & Events

- SMTA China East Technology Conference (charged)
- SMTA China East Technical Equipment Conference
- NEPCON Summit: CEO Summit on Green Transformation of Electronics Manufacturing Industry
- 2024 China Electronics Industry Electrostatic Protection Forum
- NEPCON Technology Forum: Forum on the Latest Three-Proof Technology and Standards
- Conference on Intelligent Integration Solutions for Electronic Manufacturing
- New Media * New Intelligent Manufacturing
- Electronic Intelligent Manufacturing Show

Competition & Awards

- SMTA Awards Ceremony
- The 8th "Quick Cup" National Electronic Manufacturing Industry Welding Skills Competition - Shanghai Region

International Dialogue

- Philippines National Day

EMS DAY 2 April 25

Summits & Events

- SMTA China East Technology Conference (charge)
- SMTA China East Technical Equipment Conference
- SMTA China East Technology Workshop (charge)
- 2024 (27th) Shanghai Advanced Seminar on Intelligent Manufacturing and SMT Technology
- NEPCON Technology Forum: Micro-assembly Simulation Standards and Technology Forum
- AI and Electronic Manufacturing Future Factory Management
- New Media * New Intelligent Manufacturing
- Electronic Intelligent Manufacturing Show

Competition & Awards

- NEPCON Award Ceremony
- The 4th "Yayo Cup" National Electronic Manufacturing Industry PCB Design Competition - East & South Region

International Dialogue

- Vietnam National Day

EMS DAY 3 April 26

Summits & Events

- Explore Innovative Technologies and Intelligent Trends in Semiconductor Manufacturing
- New Media * Reshaping Marketing
- Closed-door Meeting on the Development of Electronic Manufacturing Technology
- Electronic Intelligent Manufacturing Show

Competition & Awards

- NEPCON Academy Certification Ceremony
- The 4th "Yayo Cup" National Electronic Manufacturing Industry PCB Design Competition and Award Presentation

Integrated Presentations of Electronic Manufacturing + AIoT

Integrated Presentations

- Industrial Internet & Smart Rail Transit
- Industrial Internet & Smart Home
- Industrial Internet & Smart Factory

Summits & Activities of IOTE-Shanghai

- "AIoT-X" Integrated Application Conference
- Digital Factory Industrial Ecology Conference
- AIoT Communication Technology and Application Summit
- High-Precision Positioning Technology and Application Summit
- Smart Sensing [Embedded] Technology and Application Summit

Semiconductor Packaging Day

Summits & Events Partners: 半导体行业观察 Seminsights.com

- Conference on SiP and Advanced Packaging Technology (April 24-25)
- Conference on Compound Semiconductor Packaging (April 24-25)

Business Matching

- Matching meetings for specialized categories

Production line

- Live demo for semiconductor packaging & testing
- On-site guided tour for OSAT buyers

Automotive Electronics Day

Summits & Events Partners: 盖世汽车 aasgoo, 西恩汽车技术 ATC

- 2024 Smart Vehicle Sensing Technology Industry Conference (April 24)
- 2024 Automobile Intelligent Cockpit Technology Forum (April 25)

Business Matching

- Special/Specialized Matching Meetings for First-tier Suppliers

Competition & Awards

- The 2nd "Haicheng Cup" National Electronic Manufacturing Industry Wire & Cable Manufacturing Technology and Operation Skills Competition (April 24-26)

New Energy Manufacturing Day

Summits & Events Partners: 中国工程院

- Forum on Collaborative Development of Inverter and Electronic Control Industry Chain in New Energy Industry (April 25th)

Business Matching

- Special/Specialized sourcing and matching meetings for lithium batteries, photovoltaics, and energy storage industries

* These planned events are subject to change. Please refer to onsite arrangements for more details. * The organizer reserves the right to change or modify the event program.

RECOMMENDED ACTIVITIES

NEPCON Summit: CEO Summit on Green Transformation of Electronics Manufacturing Industry (April 24)

THEME How Can Enterprises Build Sustainable Business Competitiveness through ESG Systems?

FORM Idea sharing + CEO Dialogue

GUESTS China Electronics Standardization Association, International Sustainability Standards Board (ISSB), Business for Social Responsibility (BSR), China Alliance of Social Value Investment (CASVI), Microsoft, China ESG Alliance, TCL, IPC System Technology Group, Lenovo, Luxshare Precision, Tongda Group, BCG, McKinsey

Semiconductor Advanced Packaging Technology Conference

Forum 1: SiP and Advanced Packaging Technology Conference (April 24-25)

THEME Focus on advanced processes for semiconductor packaging: from SiP to Chiplet

FORM Idea sharing + Industry Chain Dialogue

GUESTS China Semiconductor Industry Association, Amkor Technology, Shenzhen Advanced Electronic Materials International Innovation Research Institute, Moore Elite, Leadyo, NCAP China, JCET, USI, Ansys, Wuxi I-CORE

Forum 2: Compound Semiconductor Technology Conference (April 24-25)

THEME In-depth analysis of new global trend of power semiconductors with a focus on new opportunities for domestic solutions

FORM Idea sharing + Industry Chain Dialogue

GUESTS CCID, FAW Research Institute, Yangjie Electronic Technology, Watech Electronics, Shanghai Electric, CR Micro, Naxin Micro, NAVOSENSE, WeEn, AscenPower, Jiejie Microelectronics and Heraeus

2024 Smart Vehicle Sensing Technology Industry Conference (April 24)

THEME Focus on the manufacturing technology of automotive electronics

FORM Idea sharing + Industry Chain Dialogue

GUESTS Gasgoo Institute, Bosch, Mobileye, Continental, Hella, NIO, Li, Xiaopeng, HongQi, Deepal, IM, Horizon, Huawei, Black Sesame, Hesai, RoboSense, Seyond

The NEPCON Conference has been upgraded the best choice for investing in knowledge and the future!

Limited-time Free Attendance

- For groups of 5 or more, all members can enjoy free conference attendance
- Sign up to become a member of NEPCON Academy

NEPCON Academy Benefits

Free conference attendance, study packs, ID badges, accommodation, shuttle bus, lunch, coffee, front row seats, etc.

NEPCON China 2024

NEPCON CHINA

NEPCON China 2024

World of SMT

NEPCON China brings together advanced circuit board assembly suppliers from around the world, displays new products and cutting-edge technologies, and provides new market trends and expert insights to help companies optimize their supply chain, save costs and improve competitiveness.

NEPCON China 2024 will strive to build a "World of SMT" by gathering cutting-edge solutions from the automotive, semiconductor, new energy and other industries to create an annual industry carnival.

EXPECTED EXHIBITION SCALE

Concurrently held **KOTE** 物联网展

- 38,000+ Visitors
- 50,000+ Total number of visitors to the exhibitions in the same period
- 500+ Exhibitors and brands
- 800+ Overall exhibitors and brands in the exhibition in the same period

- 45,000 m² Exhibition Area
- 60,000 m² Total exhibition space for exhibitions in the same period
- 20+ Live events
- 30+ Onsite activities of the exhibitions in the same period

HIGHLIGHTS

World of SMT

Internationalisation + Leading Brands + High-Level Dialogue

- Gathering top global SMT companies -- Comprehensive display of brands, wider range of exhibits, and updated manufacturing technology/technologies
- Components + IC Packaging and Testing + PCBA + Smart Factory offer solutions for all aspects of electronic manufacturing factories
- Discuss foresighted topics and organized Leadership Summit, EMS Day, and other industry events.

Semiconductor Packaging & Testing

- 50 exhibitors and brands
- Onsite tour and explanation of semiconductor packaging technology
- 200+ semiconductor packaging factories from East China
- 100+EMS and ODM with SIP and advanced packaging technology
- 2-day summit focusing on SIP and advanced packaging technology and compound semiconductor packaging technology, with 2000+ attendees
- 1 day industry theme day, 2 days of specialized business matching meeting

Smart Factory

- AI+Intelligent Manufacturing: focus on the management and operation of AI and electronic manufacturing future factories
- Conference on Intelligent Integration Solutions of Electronic Manufacturing: focus on the intelligent developments and practices in the electronic manufacturing industry

Integrated Presentation of Electronics Manufacturing + AIoT

AIoT Exhibition will be held concurrently to display new technology application scenarios.

Green Transformation of Electronics Manufacturing

NEPCON Summit: CEO Summit on the Green Transformation of the Electronics Manufacturing Industry, industry chain dialogue, networking events, and industry leaders share their views on sustainable development.

High-quality Development of High-end Industries

Industry Theme Day + Diversified Docking Activities
Automotive Electronics, Semiconductor Packaging, and New Energy Manufacturing Industry Theme Days will be held for the key and high-end industry clusters, in order to help electronics manufacturing companies optimize their supply chains, save costs, and improve competitiveness through exhibitions + conferences + business docking.

International Market Insights

National Day + Factory Visit + Business Salon
Work with electronics industry associations and media from the Philippines, Vietnam, Malaysia and other countries to launch activities such as National Day, factory visits and Business Salon.

Innovation Display

- Specialized Zone for Electrostatic Protection, EPA Demonstration Zone, Exhibition Zone for Japan Electronic Manufacturing Automation Supporting Facilities
- NEPCON Bar, an innovative integration of passenger experience, new car disassembly display, technology sharing, and leisure bar.

INDUSTRY-LEADING EXHIBITORS (PARTIAL LIST)

*Partial exhibitor listing in no particular order, and subject to change onsite.
*Partially from previous leading exhibitors

Mounting Equipment & Technology

Welding, Dispensing & Spraying Equipment and Technology

Mounting Equipment & Technology

Test and Measurement Equipment & Technology

Smart Factory, Automation, Electronic Materials Equipment & Technology

Semiconductor Packaging Equipment & Technology

PRE-REGISTRATION BENEFITS

- Free matching service 365 days a year. Please contact the NEPCON project team if you have any sourcing needs.
- Collect a gift at the gift exchange site during the exhibition
- Fast and easy admission, free badge mailing service
- Receive 1 gift by bringing 3 friends to the event

Scan the QR code to pre-register for a visit

GIFTS FOR DELEGATIONS

≥ 100 people	51-99 people	26-50 people	5-25 people
Mijia Floor Fan	Mijia onic Electric Toothbrush T302	Mijia Negative Ion Hairdryer H300	Mijia Electric Kettle N1

Brought visitors to the exhibition for over 3 consecutive years and served as the head of the delegation

More gifts for new enterprise delegations in 2024

* Limited number of gifts, first-come-first-served.

NEPCON AMBASSADOR RECRUITMENT

Work with NEPCON to create a brilliant future!

Would you be willing to share 2024 NEPCON China visit plans, industry insights and/or workplace experiences through videos or pictures? Just apply to be a NEPCON Ambassador and enjoy a privileged NEPCON experience! Positions are limited, first-come-first-served.

NEPCON Award

Keep Pace with Industry Development and the Needs of the Times
The NEPCON Awards is an annual ceremony held for leading companies in the electronic manufacturing industry and individuals who have made outstanding contributions to the industry. This year's awards are as follows. Welcome to sign up to participate and vote.

Enterprise Award	Individual Award
<ul style="list-style-type: none"> ESG Innovation Enterprise Award for Electronic Manufacturing Enterprise Excellent Manufacturing Enterprise of the Year Award for Electronic Manufacturing Enterprise The Most Influential Enterprise of the Year Award 	<ul style="list-style-type: none"> Best Manager of the Year Award Best Engineer of the Year Award The Most Popular Individual of the Year Award
